Further information on the Liquidity Agreement

On 12 September 2016, the Company and Invest Securities entered into the Liquidity Agreement pursuant to which Invest Securities provides liquidity services in relation to the ordinary shares to the Company. Invest Securities may purchase ordinary shares on behalf of the Company under the agreement, subject to approval from Shareholders as to the price at which ordinary shares can be brought back and the aggregate amount that the Company may provide to Invest Securities to purchase such ordinary shares.

Shareholder approval was granted at the Shareholders' meeting held on 18 October 2021 for the purchase of ordinary shares by Invest Securities under the agreement at a maximum purchase price per ordinary shares of €12.00 for an aggregate maximum purchase price of €200,000 and for 18 months from the date of the approval. Under the agreement, Invest Securities must act completely independently of the Company and the Company must not communicate with the employees of Invest Securities who are responsible for performing the agreement. Invest Securities is paid €10,000 per annum for its services under the liquidity agreement. The agreement has an initial term of two years, with a rolling extension of one year thereafter. The agreement can be terminated by either party at the end of each such period subject to two months' prior notice. The Liquidity Agreement is governed by French law. Ordinary shares purchased by Invest Securities are either cancelled or held as treasury shares (which are non-voting and do not rank for dividends).
