RECOMMENDED CASH OFFER

by

Novacyt UK Holdings Limited

(a wholly-owned subsidiary of Novacyt S.A.)

for

Yourgene Health plc

to be effected by means of a Scheme of Arrangement

under Part 26 of the Companies Act 2006

Summary

· The boards of directors of Novacyt and Yourgene are pleased to announce that they have reached agreement on the terms and conditions of a recommended cash offer to be made by Novacyt UK, a wholly-owned subsidiary of Novacyt, for the entire issued and to be issued share capital of Yourgene (the "Acquisition").

· Under the terms of the Acquisition, each Yourgene Shareholder will be entitled to receive:

0.522 pence in cash per Yourgene Share

· The Acquisition values the entire issued and to be issued share capital of Yourgene at approximately £16.7 million.

· The Acquisition Price represents a premium of approximately:

- 167.7 per cent. to the Closing Price of 0.195 pence per Yourgene Share on 30 June 2023 (being the last Business Day prior to the date of this Announcement);

- 111.3 per cent. to the Volume Weighted Average Price per Yourgene Share during the three-month period ended 30 June 2023 (being the last Business Day prior to the date of this Announcement);
 - 57.2 per cent. to the Volume Weighted Average Price per Yourgene Share during the six-month period ended 30 June 2023 (being the last Business Day prior to the date of this Announcement); and
 - 74.0 per cent. to the December 2022 placing price of 0.30 pence per Yourgene Share.
- If, on or after the date of this Announcement and on or prior to the Effective Date, any dividend and/or other distribution and/or other return of capital in respect of the Yourgene Shares is declared, made, paid or becomes payable by Yourgene, Novacyt UK reserves the right to reduce the consideration payable for each Yourgene Share under the terms of the Acquisition by an amount up to the amount per Yourgene Share of such dividend and/or distribution and/or other return of capital, in which case any reference in this Announcement to the consideration payable under the terms of the Acquisition will be deemed to be a reference to the consideration as so reduced. In such circumstances, Yourgene Shareholders would be entitled to retain any such dividend and/or distribution and/or other return of capital.
 - It is intended that the Acquisition will be implemented by way of a Court-sanctioned scheme of arrangement under Part 26 of the Companies Act (or if Novacyt UK elects, with the consent of the Takeover Panel, by way of a Takeover Offer).

Background to, and reasons for, the Acquisition

- The boards of Novacyt and Novacyt UK believe that the Acquisition strongly aligns with Novacyt's post-COVID-19 strategy, set out by Novacyt in early 2022, which was focussed on the twin objectives of portfolio development and geographic expansion and included pursuing strategic M&A transactions to build scale and diversification to support the long-term growth of the business. For this reason, the boards of Novacyt and Novacyt UK therefore believe there is a compelling strategic and financial rationale for the Acquisition.
- The Enlarged Group is expected to create a more scaled, diversified operator in the diagnostics sector. The Acquisition combines highly complementary technologies and services, with the Enlarged Group able to leverage mutual research and development capabilities for ongoing product development and portfolio enhancement to improve the customer offering.
- The diagnostics industry, in which both Novacyt and Yourgene operate, is highly competitive, with multiple scale competitors. Continuing to invest in research and development to develop Yourgene's service and product offering over the long term requires highly targeted continued investment, which the combination of the two groups will facilitate, through utilisation of combined capital resources and commercial infrastructure.
- Novacyt considers that customers will benefit significantly from the combination, driven by the complementary suite of diagnostic products and services of the two groups. This will enable the delivery of more integrated solutions through the efficient pooling of resources.
- Novacyt believes that Yourgene's core NIPT offering and PCR portfolio has significant growth potential that can be further accelerated by the significant resources and investment that Novacyt can provide, given its strong financial position.
- The Acquisition is expected to enable Novacyt to deliver significant value to customers across the combined set of businesses through streamlined technology and sharing of best operational practices to create a more robust and sustainable operating model to serve partners and customers.
- The Novacyt Directors believe that there is significant potential for the Enlarged Group to strengthen customer relationships and cross-sell its expanded range of products and services within the combined installed base, whilst maintaining specialist capabilities in discrete competencies. In particular, Novacyt sees potential to leverage Yourgene's proprietary Ranger® Technology to differentiate the Enlarged Group's molecular diagnostics portfolio while continuing to explore further use cases within the Yourgene and Novacyt product portfolios.

- Novacyt believes that Yourgene will reach its full potential under Novacyt's ownership, accelerating revenue growth and building long-term value for the Enlarged Group, driven by the increased investment in Yourgene that could be provided as part of the Enlarged Group.
- The Novacyt Directors expect cost synergies to be generated through the rationalisation of duplicative functions and systems, elimination of excess facilities and combination of leadership roles within the Enlarged Group.
- The boards of directors of Novacyt and Novacyt UK believe that the Enlarged Group will be a more attractive prospect as a consolidated entity to attract investment from a wider range of institutional investors.
- The boards of directors of Novacyt and Novacyt UK believe that the Acquisition Price represents a full and fair value for Yourgene Shareholders. The Acquisition Price allows Yourgene Shareholders to immediately crystallise the value of their holdings, in cash, at a significant premium to the current share price of Yourgene, while not taking any of the substantial risk that remains to Yourgene as a standalone entity.

Recommendation

- The Yourgene Directors, who have been so advised by Stifel Nicolaus Europe Limited ("Stifel") as to the financial terms of the Acquisition, consider the terms of the Acquisition to be fair and reasonable. In providing its advice to the Yourgene Directors, Stifel has taken into account the commercial assessments of the Yourgene Directors. Stifel is providing independent financial advice to the Yourgene Directors for the purposes of Rule 3 of the Code.
- Accordingly, the Yourgene Directors intend to recommend unanimously that the Yourgene Shareholders vote or procure votes in favour of the Scheme at the Court Meeting and the Special Resolution relating to the Acquisition to be proposed at the General Meeting (or, if Novacyt UK exercises its right to implement the Acquisition by way of a Takeover Offer, to accept such offer), as the Yourgene Directors who hold Yourgene Shares (in a personal capacity or through a nominee) have irrevocably undertaken to do, or as they have otherwise irrevocably undertaken to direct (and use all reasonable endeavours to procure that) their nominees do, in respect of their own (and their connected persons') beneficial holdings of Yourgene Shares (or those Yourgene Shares over which they have control) other than any Yourgene Shares held by them pursuant to the SIP, amounting, in aggregate to 428,977,159 Yourgene Shares (representing, in aggregate, approximately 13.5 per cent. of the Yourgene Shares in issue on 30 June 2023 (being the last Business Day prior to the date of this Announcement)).

Irrevocable undertakings

- In addition to the irrevocable undertakings from the Yourgene Directors, Novacyt UK has also received an irrevocable undertaking to vote or procure votes in favour of the Scheme at the Court Meeting and the Special Resolution to be proposed at the General Meeting (or, if Novacyt UK exercises its right to implement the Acquisition by way of a Takeover Offer, to accept such offer) from BGF Investments LP in respect of 399,264,611 Yourgene Shares (representing approximately 12.6 per cent. of the Yourgene Shares in issue on 30 June 2023 (being the last Business Day prior to the date of this Announcement)).
- In total therefore, as at the date of this Announcement, Novacyt UK has received irrevocable undertakings to vote or procure votes in favour of the Scheme at the Court Meeting and the Special Resolution to be proposed at the General Meeting (or, if Novacyt UK exercises its right to implement the Acquisition by way of a Takeover Offer, to accept such offer) with respect to a total of 828,241,770 Yourgene Shares (representing, in aggregate, approximately 26.1 per cent. of the Yourgene Shares in issue on 30 June 2023 (being the last Business Day prior to the date of this Announcement)).
- Full details of the irrevocable undertakings received by Novacyt UK are set out in Appendix 3 to this Announcement.

U.S. Shareholders

Yourgene Shareholders in the United States should note that the Acquisition relates to the securities of a company organised under the laws of England and Wales and is proposed to be effected by means of a scheme of arrangement under the Companies Act. This Announcement, the Scheme Document and certain other documents relating to the Acquisition have been or will be prepared in accordance with English law, the AIM Rules, the Code and UK disclosure requirements, format and style applicable to a scheme of arrangement, all of which differ from those in the United States. A transaction effected by means of a scheme of arrangement is not subject to the tender offer rules or the proxy solicitation rules under the U.S. Exchange Act. Accordingly, the Scheme is subject to the disclosure requirements of, and practices applicable in, the United Kingdom to schemes of arrangement, which differ from the disclosure requirements and practices of U.S. tender offer and proxy solicitation rules.

None of the securities referred to in this Announcement, nor the information contained in this Announcement, has been approved or disapproved by the U.S. Securities and Exchange Commission, any state securities commission in the United States or any other U.S. regulatory authority, nor have such authorities passed upon the fairness or merits of the proposal contained in this Announcement or determined the adequacy or accuracy of the information contained herein. Any representation to the contrary is a criminal offence in the United States.

Yourgene's financial statements, and all financial information that is included in this Announcement or that may be included in the Scheme Document, or any other documents relating to the Acquisition, have been prepared in accordance with International Financial Reporting Standards and may not be comparable to financial statements of companies in the United States or other companies whose financial statements are prepared in accordance with U.S. generally accepted accounting principles. U.S. generally accepted principles differ in certain respects from International Financial Reporting Standards. None of the financial information in this Announcement has been audited in accordance with the auditing standards generally accepted in the U.S. or the auditing standards of the Public Company Accounting Oversight Board of the U.S.

It may be difficult for U.S. holders of Yourgene Shares to enforce their rights and any claims they may have arising under U.S. federal securities laws or the laws of any state or other jurisdiction in the U.S. in connection with the

Acquisition, because Yourgene is organised under the laws of a non-U.S. country, and some or all of its officers and directors may be residents of a non-U.S. country. U.S. holders of Yourgene Shares may not be able to sue a non-U.S. company or its officers or directors in a non-U.S. court for violations of U.S. federal securities laws or the laws of any state or other jurisdictions in the U.S. Further, it may be difficult to compel a non-U.S. company and its affiliates to subject themselves to a U.S. court's jurisdiction or judgment.

If Novacyt UK were to elect to implement the Acquisition by means of a Takeover Offer and determines to extend the Takeover Offer into the United States, the Acquisition would be made in compliance with applicable U.S. laws and regulations, including to the extent applicable, Section 14(d) and 14(e) of the U.S. Exchange Act and Regulations 14D and 14E thereunder, as well as in accordance with the Code. Such a Takeover Offer would be made in the United States by Novacyt UK (and/or a nominee of Novacyt UK) and no one else.

The receipt of cash pursuant to the Acquisition by a Yourgene Shareholder in the United States as consideration for the transfer of its Yourgene Shares pursuant to the Scheme will likely be a taxable transaction for U.S. federal income tax purposes and under any applicable U.S. state and local income tax laws. Each Yourgene Shareholder in the United States is urged to consult its independent professional tax or legal adviser immediately in connection with making a decision regarding the Acquisition and regarding the U.S. federal, state and local income and non-income tax consequences of the Acquisition applicable to it, as well as any consequences arising under the laws of any other taxing jurisdiction.

In accordance with normal UK practice, Novacyt UK, certain affiliated companies and their respective nominees or brokers (acting as agents) may from time to time make certain purchases of, or arrangements to purchase, Yourgene Shares outside of the U.S. other than pursuant to the Acquisition until the date on which the Scheme (or Takeover Offer, if applicable) becomes effective, lapses or is otherwise withdrawn. These purchases may occur either in the open market at prevailing prices or in private transactions at negotiated prices. Any information about such purchases will be disclosed as required in the UK and the United States and will be reported to a Regulatory Information Service and shall be available on the London Stock Exchange website at <https://www.londonstockexchange.com>.

RECOMMENDED CASH OFFER

by

Novacyt UK Holdings Limited

(a wholly-owned subsidiary of Novacyt S.A.)

for

Yourgene Health plc

to be effected by means of a Scheme of Arrangement

under Part 26 of the Companies Act 2006

1. Introduction

The boards of directors of Novacyt and Yourgene are pleased to announce that they have reached agreement on the terms and conditions of a recommended cash offer to be made by Novacyt UK, a wholly-owned subsidiary of Novacyt, for the entire issued and to be issued share capital of Yourgene.

It is intended that the Acquisition will be implemented by way of a Court-sanctioned scheme of arrangement under Part 26 of the Companies Act (although Novacyt UK reserves the right to effect the Acquisition by way of a Takeover Offer, with the consent of the Takeover Panel).

2. The Acquisition

Under the terms of the Acquisition, which will be subject to the Conditions and certain further terms set out in Appendix 1 to this Announcement and to the full terms and conditions which will be set out in the Scheme Document, each Yourgene Shareholder will be entitled to receive:

0.522 pence in cash per Yourgene Share

- The Acquisition values the entire issued and to be issued share capital of Yourgene at approximately £16.7 million.
- The Acquisition Price represents a premium of approximately:
 - 167.7 per cent. to the Closing Price of 0.195 pence per Yourgene Share on 30 June 2023 (being the last Business Day prior to the date of this Announcement);
 - 111.3 per cent. to the Volume Weighted Average Price per Yourgene Share during the three-month period ended 30 June 2023 (being the last Business Day prior to the date of this Announcement);
 - 57.2 per cent. to the Volume Weighted Average Price per Yourgene Share during the six-month period ended 30 June 2023 (being the last Business Day prior to the date of this Announcement); and
 - 74.0 per cent. to the December 2022 placing price of 0.30 pence per Yourgene Share.

The Yourgene Shares will be acquired by Novacyt UK fully paid and free from all liens, equitable interests, charges, encumbrances, rights of pre-emption and any other third party rights or interests whatsoever and together with all rights existing at the date of this Announcement or thereafter attaching thereto, including (without limitation) the right to receive and retain, in full, all dividends and/or other distributions (if any) declared, made or paid and/or any other return of capital (whether by way of reduction of share capital or share premium account or otherwise) made on or after the Effective Date in respect of the Yourgene Shares.

If, on or after the date of this Announcement and on or prior to the Effective Date, any dividend and/or other distribution and/or other return of capital in respect of the Yourgene Shares is declared, made, paid or becomes payable by Yourgene, Novacyt UK reserves the right to reduce the consideration payable for each Yourgene Share under the terms of the Acquisition by an amount up to the amount per Yourgene Share of such dividend and/or distribution and/or other return of capital, in which case any reference in this Announcement to the consideration payable under the terms of the Acquisition will be deemed to be a reference to the consideration as so reduced. In such circumstances, Yourgene Shareholders would be entitled to retain any such dividend and/or distribution and/or other return of capital.

3. Background to, and reasons for, the Acquisition

In early 2022, Novacyt set out a new strategy to transition to a post-COVID-19 market and position Novacyt for long-term sustainable growth. This strategy focussed on the twin objectives of portfolio development and geographic expansion underpinned by Novacyt's credentials as an agile, world-leading provider of integrated RUO and clinical diagnostics. It included pursuing strategic M&A transactions to build scale and diversification to support the long-term growth of the business.

The boards of Novacyt and Novacyt UK believe that the acquisition of Yourgene strongly aligns with this strategy and believes there is a compelling strategic and financial rationale for the Acquisition.

The Enlarged Group is expected to create a more scaled, diversified operator in the diagnostics sector. The Acquisition combines highly complementary technologies and services, with the Enlarged Group able to leverage mutual research and development capabilities for ongoing product development and portfolio enhancement to improve the customer offering.

The diagnostics industry, in which both Novacyt and Yourgene operate, is highly competitive, with multiple scale competitors. Continuing to invest in research and development to develop Yourgene's service and product offering over the long term requires highly targeted continued investment, which the combination of the two groups will

facilitate, through utilisation of combined capital resources and commercial infrastructure.

Novacyt considers that customers will benefit significantly from the combination, driven by the complementary suite of diagnostic products and services of the two groups. This will enable the delivery of more integrated solutions through the efficient pooling of resources.

The Novacyt Directors believe that there is significant potential for the Enlarged Group to strengthen customer relationships and cross-sell its expanded range of products and services within the combined installed base, whilst maintaining specialist capabilities in discrete competencies. In particular, Novacyt sees potential to leverage Yourgene's proprietary Ranger® Technology to differentiate the Enlarged Group's molecular diagnostics portfolio while continuing to explore further use cases within the Yourgene and Novacyt product portfolios.

Novacyt believes that Yourgene's core NIPT offering and PCR portfolio has significant growth potential that can be further accelerated by the significant resources and investment that Novacyt can provide, given its strong financial position.

The Acquisition is expected to enable Novacyt to deliver significant value to customers across the combined set of businesses through streamlined technology and sharing of best operational practices to create a more robust and sustainable operating model to serve partners and customers.

Novacyt believes that Yourgene will reach its full potential under Novacyt's ownership, accelerating revenue growth and building long term value for the Enlarged Group, driven by the increased investment in Yourgene that could be provided as part of the Enlarged Group.

The boards of directors of Novacyt and Novacyt UK believe that the Enlarged Group will be a more attractive prospect as a consolidated entity to attract investment from a wider range of institutional investors.

The Novacyt Directors expect cost synergies to be generated through the rationalisation of duplicative functions and systems, elimination of excess facilities and combination of leadership roles within the Enlarged Group.

The boards of directors of Novacyt and Novacyt UK believe that the Acquisition Price represents a full and fair value for Yourgene Shareholders. The Acquisition Price allows Yourgene Shareholders to immediately crystallise the value of their holdings, in cash, at a significant premium to the current share price of Yourgene, while not taking any of the substantial risk that remains to Yourgene as a standalone entity.

4. Recommendation by Yourgene Directors

The Yourgene Directors, who have been so advised by Stifel as to the financial terms of the Acquisition, consider the terms of the Acquisition to be fair and reasonable. In providing their advice to the Yourgene Directors, Stifel has taken into account the commercial assessments of the Yourgene Directors. Stifel is providing independent financial advice to the Yourgene Directors for the purposes of Rule 3 of the Code.

Accordingly, the Yourgene Directors intend to recommend unanimously that Yourgene Shareholders vote or procure votes in favour of the Scheme at the Court Meeting and the Special Resolution relating to the Acquisition to be proposed at the General Meeting, as the Yourgene Directors who hold Yourgene Shares (in a personal capacity or through a nominee) have irrevocably undertaken to do, or as they have otherwise irrevocably undertaken to direct (and use all reasonable endeavours to procure that) their nominees do, in respect of their own (and their connected persons') beneficial holdings of Yourgene Shares (or those Yourgene Shares over which they have control), other than any Yourgene Shares held by them pursuant to the SIP, amounting, in aggregate to 428,977,159 Yourgene Shares (representing, in aggregate, approximately 13.5 per cent. of the Yourgene Shares in issue on 30 June 2023 (being the last Business Day prior to the date of this Announcement)).

5. Background to and reasons for the Yourgene Directors' recommendation

Yourgene is an international genomic medicine company providing integrated technologies and services, working in partnership with global leaders in DNA technology to advance diagnostic science. Yourgene is focussed on accelerating growth within the core offerings of Genomic Services, NIPT, Ranger® Technology and PCR, reflecting

a transition away from COVID related services and product sales following a dramatic reduction in COVID-19 related revenue since UK testing guidelines changed in March 2022. As at the last practicable date prior to the date of this Announcement, being 26 June 2023, Yourgene's unaudited cash balance was £1.88 million, with an unaudited bank debt of £2.5 million. Owing to uncertainty around the timing and implementation of contract wins and realisation of revenue opportunities, cash levels continue to be carefully managed and additional capital, as well as wider strategic options, could be required in the short term.

At the start of the financial year ending 31 March 2023, Yourgene commenced a cost restructuring exercise in order to realign the Group's cost base to its core strategic focus. In January 2023, Yourgene completed a capital raising to cover the one-off costs of further restructuring of the cost base. Since the fundraise, the Yourgene Directors' immediate focus has been on the internal reshaping of Yourgene's business. Furthermore, on 13 June 2023, Yourgene announced the conditional disposal of Yourgene's Taiwan Laboratory, expected to complete before September 2023, following an operational and strategic review of its Taiwanese operations, in order to prolong the available cash runway and rebuild shareholder value over time.

The Yourgene Directors are confident that as initiatives are taken to improve gross margins, cost savings and the rate of pipeline conversion and contract implementation, Yourgene can continue to grow and generate sustained and attractive returns but recognises that there are risks to, as well as uncertainty around, the timing and impact from the conversion of these initiatives.

Notwithstanding this confidence in Yourgene's standalone prospects, the Yourgene Directors recognise the benefits of scale when operating in a global competitive market. The opportunity to achieve commercial synergies with Novacyt's global commercial infrastructure and complementary suite of diagnostic products and services would expand Yourgene's ability to serve a broader customer base and accelerate the global growth profile of its product portfolio.

The Yourgene Directors also recognise that the Acquisition represents a significant premium over Yourgene's share price and provides an immediate opportunity for Scheme Shareholders to realise, in cash, the value of their holdings, particularly in the context of Yourgene's relative lack of liquidity as a small cap AIM company. The Acquisition represents a premium of approximately 111.3 per cent. to the Volume Weighted Average Price per Yourgene Share during the three-month period ended on 30 June 2023 (being the last Business Day before the Announcement Date).

Therefore, after careful consideration, the Yourgene Directors believe the terms of the Acquisition are in the best interests of Yourgene Shareholders as a whole and Yourgene. As such, the Yourgene Directors intend to recommend unanimously that Scheme Shareholders vote, or procure the vote, in favour of the Scheme at the Court Meeting and that Yourgene Shareholders vote, or procure the vote, in favour of the Special Resolution to be proposed at the General Meeting. The Yourgene Directors also believe the Acquisition is in the best interest of the employees and management of Yourgene as it will ensure Yourgene is able to leverage the resources available from being part of a multinational organisation to drive cross selling of products and services to a combined installed base. This increased growth, and the additional resources Yourgene will have access to as a result of being part of the Novacyt Group, should allow Yourgene to accelerate the rate of innovation, which will in turn provide more diverse career development opportunities for Yourgene's teams.

Pursuant to the terms of an agreement between Yourgene, BGF Investments LP ("BGF") and Cairn dated 21 December 2022, BGF (a shareholder of Yourgene) has the right, subject to certain conditions, to appoint a non-executive director to the Yourgene Board. On 23 January 2023, Andrew Leeser was appointed to the Yourgene Board under the terms of this agreement. Notwithstanding that Andrew Leeser is BGF's nominee, he is independent from, and not a representative of, BGF.

6. Conditions to the Acquisition

The Acquisition will be subject to the Conditions and further terms set out in Appendix 1 to this Announcement and which will be set out in the Scheme Document, including, inter alia:

- (a) the approval of the Scheme by a majority in number of Scheme Shareholders present and voting, either in person or by proxy, at the Court Meeting and representing not less than 75 per cent. in value of the Scheme Shares voted;**
- (b) the passing of the Special Resolution necessary to implement the Scheme by the requisite majority at the General Meeting;**
- (c) the sanction of the Scheme by the Court; and**
- (d) the Scheme becoming Effective by no later than the Long Stop Date.**

The Scheme Document, along with the notices of the Court Meeting and the General Meeting and the associated Forms of Proxy will be despatched to Yourgene Shareholders and, for information only, to participants in the Yourgene Share Plans, the CGI Options and the Warrants as soon as reasonably practicable and in any event within 28 days of the date of this Announcement, unless Novacyt UK and Yourgene otherwise agree, and the Takeover Panel consents, to a later date.

7. Irrevocable undertakings

Novacyt UK has received irrevocable undertakings to vote or procure votes in favour of the Scheme at the Court Meeting and the Special Resolution to be proposed at the General Meeting (or, if Novacyt UK exercises its right to implement the Acquisition by way of a Takeover Offer, to accept such offer) from all of the Yourgene Directors who hold Yourgene Shares (in a personal capacity or through a nominee) in respect of their (and their connected persons') beneficial holdings of Yourgene Shares (or those Yourgene Shares over which they have control), other than any Yourgene Shares held by them pursuant to the SIP, amounting, in aggregate, to 428,977,159 Yourgene Shares (representing, in aggregate, approximately 13.5 per cent. of the Yourgene Shares in issue on 30 June 2023 (being the last Business Day prior to the date of this Announcement)).

In addition to the irrevocable undertakings from the Yourgene Directors, Novacyt UK has also received an irrevocable undertaking to vote or procure votes in favour of the Scheme at the Court Meeting and the Special Resolution to be proposed at the General Meeting (or, if Novacyt UK exercises its right to implement the Acquisition by way of a Takeover Offer, to accept such offer) from BGF in respect of 399,264,611 Yourgene Shares (representing approximately 12.6 per cent. of the Yourgene Shares in issue on 30 June 2023 (being the last Business Day prior to the date of this Announcement)).

In total therefore, as at the date of this Announcement, Novacyt UK has received irrevocable undertakings to vote or procure votes in favour of the Scheme at the Court Meeting and the Special Resolution to be proposed at the General Meeting (or, if Novacyt UK exercises its right to implement the Acquisition by way of a Takeover Offer, to accept such offer) with respect to a total of 828,241,770 Yourgene Shares (representing, in aggregate, approximately 26.1 per cent. of the Yourgene Shares in issue on 30 June 2023 (being the last Business Day prior to the date of this Announcement)).

Further details of these irrevocable undertakings (including details of the circumstances in which they cease to be binding) are set out in Appendix 3 to this Announcement.

10. Intentions for the Yourgene Group

Novacyt's strategic plans for Yourgene

As set out in paragraph 3 (Background to, and reasons for, the Acquisition) above, Novacyt believes that the combination of Novacyt and Yourgene will create a more scaled, diversified operator in the diagnostics sector. This will provide greater benefits to all the stakeholders of the Enlarged Group.

Prior to this Announcement, consistent with market practice, Novacyt has been granted access to Yourgene's senior management for the purposes of confirmatory due diligence. However, because of the constraints of a public offer process, Novacyt has not yet had access to sufficiently detailed information to formulate specific plans regarding the full impact of the Acquisition on Yourgene. Therefore, following completion of the Acquisition, Novacyt intends to work with Yourgene's management to undertake a detailed evaluation of Yourgene (the "Review"). The Review will include:

- an assessment of the short- and long-term objectives, strategy, and potential of Yourgene's business;
- engaging with the key stakeholders of the Yourgene business;
- an analysis of Yourgene's key products and research and development initiatives;

- assessing and identifying the R&D priorities of the Enlarged Group;
- review of the opportunities and impact that the Acquisition will have on the operations of Novacyt;
- investigating the potential opportunities for Yourgene to benefit from the enhanced access to capital that the Acquisition will provide; and
- considering how best to position Yourgene's business to compete more strongly, which would include evaluating the best corporate organisational setup for the Enlarged Group going forward.

Novacyt expects that the Review will be completed within approximately six months from the Effective Date.

On 26 April 2022, Yourgene announced an operational restructure to consolidate its UK activities through a programme of co-location and sharing supporting services between Genomic Services and Genomic Technologies (the "Operational Restructuring"). The Operational Restructuring commenced in the final quarter of the financial year ending 31 March 2023 and is ongoing. Yourgene has taken significant steps to reduce headcount and non-salary costs since the end of the COVID-19 pandemic. Yourgene has removed variable staffing in line with lower business volumes, delayed management, merged service and product divisions, as well as combining similar functions into central service teams. The intention of Novacyt is to continue the existing Operational Restructuring of Yourgene following the Effective Date.

Research and development

Yourgene spent £1.9 million (unaudited) (net of tax credits) on research and development in FY23 and as at 30 June 2023 employed 32 people focussed on research and development. Yourgene conducts research and development activities to develop its offering across NIPT, reproductive health, Ranger®, DPYD and other technologies. As noted above, the Review will include an assessment of the R&D priorities of the Enlarged Group and may result in material changes in the headcount and priorities of the R&D function and R&D programs of both Novacyt and Yourgene.

Employees and management

Novacyt attaches great importance to the skills and experience of Yourgene's management and employees and recognises that the employees and management of Yourgene will be key to the success of the Enlarged Group. Novacyt is looking forward to working with Yourgene's management and employees to support the future development of Yourgene within the Enlarged Group and to ensure that the business continues to thrive.

Novacyt intends to create a unified executive management team blending the best skills within both Novacyt and Yourgene. The exact composition of this management team will be finalised following completion of the Review, following which Novacyt will have had the opportunity to identify the best talent in both organisations.

As detailed above, Novacyt will conduct the Review following the Effective Date. This Review will focus on maximising value to the stakeholders of the Enlarged Group. Novacyt's work to date has confirmed there will be some duplication of functions between the two businesses. Duplication has been identified within the finance, research and development, sales and marketing, regulatory, human resources and administrative functions of Yourgene and Novacyt. Novacyt anticipates that following completion of the Review there will be material headcount reductions, likely focussed on duplicative functions between Yourgene and Novacyt. The Review may

result in material headcount reductions for Novacyt employees in duplicative functions. Novacyt will approach the integration process with the intention of motivating and retaining the best talent within the Enlarged Group.

Following the Effective Date, it is intended that Lyn Rees, the current Chief Executive Officer of Yourgene, and Dr John Brown, the current non-executive chairman of Yourgene, will remain on the board of Yourgene and will join the board of Novacyt. Following the Effective Date, the board of Novacyt will therefore comprise of two executive directors, being James McCarthy and Lyn Rees, and five non-executive directors, being James Wakefield, Juliet Thompson, Andrew Heath, Jean-Pierre Crinelli and Dr John Brown. Each other non-executive director on the Yourgene Board will resign from the Yourgene Board with effect from the Effective Date. Dr Bill Chang and Dr Joanne Mason will remain employed by Yourgene but will also resign from the Yourgene Board with effect from the Effective Date.

The board of directors of Novacyt also confirms that, following completion of the Acquisition, the existing contractual and statutory employment rights, including pension rights, of all management and employees of Yourgene and its subsidiaries will be fully safeguarded, and envisages that there will be no material change in their terms and conditions of employment or in the balance of their skills and functions.

In addition, the Review and any headcount reduction would be subject to applicable informing and consulting requirements and conducted in accordance with applicable law.

Novacyt has not entered into and has not discussed any form of incentivisation arrangements with members of Yourgene's management. Novacyt does not intend to discuss any form of incentivisation agreement with members of Yourgene's management team before Completion of the Acquisition.

Pension schemes

Yourgene does not operate or contribute to any defined benefit pension schemes in respect of its employees.

Yourgene operates a defined contribution pension scheme, Novacyt does not intend to make any changes to the defined contribution pension scheme upon completion of the Acquisition.

Headquarters, locations and fixed assets

The current headquarters of Novacyt are located in Vélizy-Villacoublay, France which will remain the headquarters of the Enlarged Group. The headquarters of Yourgene are located in Manchester, UK. As part of the Review, the optimal location of the Yourgene employees working at the Manchester headquarters of Yourgene will be assessed. In addition, the locations of other operating units of Novacyt and Yourgene will be assessed through the Review. Following the Review, some of these employees may be relocated from other sites to the Manchester headquarters or from the Manchester headquarters to other sites.

Trading facilities

Yourgene Shares are currently admitted to trading on AIM and an application will be made to the London Stock Exchange to cancel, subject to the Scheme becoming Effective, the admission of Yourgene Shares to trading on

AIM on or shortly after the Effective Date.

As soon as practicable after the Effective Date, conditional on the passing of the Special Resolution at the General Meeting, it is intended that Yourgene will be re-registered as a private limited company under the relevant provisions of the Companies Act.

No statement in this paragraph 10 constitutes or is intended to become a "post-offer undertaking" for the purposes of Rule 19.5 of the Code.

11. Financing

The Acquisition will be financed from the existing cash resources of the Novacyt Group.

Numis, in its capacity as financial adviser to Novacyt UK, is satisfied that sufficient cash resources are available to Novacyt UK to enable it to satisfy in full the cash consideration payable to Yourgene Shareholders under the terms of the Acquisition.

12. Deferred Shares

Yourgene has in issue 1,039,640,244 0.9p Deferred Shares and 228,163,709 9.9p Deferred Shares. The Deferred Shares are not listed on any exchange and have limited rights. The Deferred Shares have no right to participate in any dividends declared, made or paid by Yourgene, but have the right to participate on a return of assets in a winding up of Yourgene by a repayment of the capital paid up on such Deferred Share after the rights of all holders of Yourgene Shares have been discharged in full and a sum of £10,000 has been paid in respect of each Yourgene Share. In that regard, the 0.9p Deferred Shares rank in priority to the 9.9p Deferred Shares. Holders of Deferred Shares have no other rights to participate in the assets of Yourgene.

The Deferred Shares do not confer on their holders any right to receive notice of, attend or vote at general meetings of Yourgene (unless a resolution to vary or abrogate the rights attaching to the relevant class of Deferred Shares is being proposed thereat).

Accordingly, the Deferred Shares do not constitute "equity share capital" for the purposes of the Code and the Deferred Shares will not form part of the Acquisition or the Scheme and no comparable offer under Rule 14 of the Code will be made for the Deferred Shares.

Novacyt UK and Yourgene intend for the Deferred Shares to be cancelled in accordance with the Companies Act and the Yourgene Articles on or shortly following the Effective Date.

13. Yourgene's commercial arrangements

As previously disclosed by Yourgene on 18 February 2019, in connection with the Yourgene Group's corporate and commercial restructure of its relationship with Life Technologies Limited (a subsidiary of Thermo Scientific Inc.) in February 2019, Yourgene agreed to a £6.5 million contingent liability payable by Yourgene to Life Technologies Limited in the event that, inter alia, any person (together with its connected persons or any other persons with whom it is acting in concert) acquires interests in securities carrying more than 50 per cent. of the voting rights of Yourgene or any person or group acquires all or substantially all of the business/assets of Yourgene. Such payment is due and payable by Yourgene to Life Technologies Limited in cash on the date of such an event. In connection with the Acquisition and pursuant to this obligation, Novacyt will fund Yourgene so that it can make this payment to Life Technologies Limited upon completion of the Acquisition.

Yourgene has an existing term loan facility in place with Silicon Valley Bank (UK branch) (the "SVB Loan"). Following completion of the Acquisition, it is expected that the SVB Loan will be repaid in full.

14. Offer-related arrangements

Confidentiality Agreement

Novacyt and Yourgene entered into a confidentiality agreement on 16 May 2023 (the "Confidentiality Agreement") pursuant to which, amongst other things, Novacyt has undertaken to keep certain information relating to Yourgene confidential and not to disclose it to third parties (other than permitted parties), and to use such confidential information only in connection with the Acquisition. The confidentiality obligations remain in force until the earlier of (i) if the Acquisition is implemented by way of a Scheme, such scheme becoming effective in accordance with its terms; (ii) if the Acquisition is implemented by way of takeover offer, Novacyt or any member of the Novacyt Group acquiring 50 per cent. or more of the issued share capital of Yourgene or (iii) 16 November 2024, being the date falling 18 months from the date of the Confidentiality Agreement. The Confidentiality Agreement includes standstill obligations which restrict Novacyt, members of the Novacyt Group and persons acting in concert with any of them from acquiring or offering to acquire interests in certain securities of Yourgene; those restrictions ceased to apply on the making of this Announcement. The Confidentiality Agreement also contains restrictions on Novacyt, members of the Novacyt Group and any of their respective directors, officers, employees, advisers, agents, consultants and potential providers of finance from soliciting or employing certain employees of Yourgene.

15. Structure of the Acquisition and the Scheme Document

Scheme

It is intended that the Acquisition will be effected by a Court-sanctioned scheme of arrangement between Yourgene and the Scheme Shareholders under Part 26 of the Companies Act.

The purpose of the Scheme is to provide for Novacyt UK to become the owner of the whole of the issued and to be issued share capital of Yourgene. Following the Scheme becoming Effective, the Scheme Shares will be transferred to Novacyt UK, in consideration for which Scheme Shareholders whose names appear on the register of members of Yourgene at the Scheme Record Time will receive 0.522 pence per Scheme Share in cash.

Shares issued after the Scheme Record Time will not be subject to the Scheme. Accordingly, it is proposed that the Yourgene Articles be amended so that Yourgene Shares issued after the Scheme Record Time other than to Novacyt UK will be automatically acquired by Novacyt UK on the same terms as under the Scheme. This will avoid any person, other than Novacyt UK or its nominee(s), being left with Yourgene Shares after the Effective Date.

Approval by Court Meeting and General Meeting

To become Effective, the Scheme requires, amongst other things:

(a) the approval of a majority in number of the Scheme Shareholders present and voting, either in person or by proxy, at the Court Meeting (or any adjournment thereof), representing not less than 75 per cent. in value of the Scheme Shares held by such Scheme Shareholders;

(b) the approval of not less than 75 per cent. of the votes cast, either in person or by proxy, of the Special Resolution to be proposed at the General Meeting (to be held directly after the Court Meeting) necessary in order to implement the Scheme, including to approve amendments to the Yourgene Articles. At the General Meeting, all Yourgene Shareholders appearing on the Yourgene register of members at the Voting Record Time will be entitled to vote on the Special Resolution and to cast one vote for each Yourgene Share held; and

(c) the other Conditions either being satisfied or (where applicable) waived.

Application to Court to sanction the Scheme

Once the required approvals have been obtained at the Court Meeting and the General Meeting and the other Conditions have been satisfied or (where applicable) waived, the Scheme must be sanctioned by the Court at the Sanction Hearing before it can become Effective.

The Scheme will only become Effective in accordance with its terms on delivery of the Court Order to the Registrar of Companies.

Scheme becomes Effective

Upon the Scheme becoming Effective, it will be binding on all Yourgene Shareholders, irrespective of whether or not they attended or voted at the Court Meeting or General Meeting, or whether they voted in favour of or against the Scheme.

The consideration due to each Yourgene Shareholder will be despatched by Novacyt UK to Yourgene Shareholders no later than 14 days after the Effective Date. Share certificates in respect of Yourgene Shares will cease to be valid and entitlements to Yourgene Shares held within the CREST system will be cancelled.

The Scheme will contain a provision for Novacyt UK and Yourgene to jointly consent, on behalf of all persons concerned, to any modification of or addition to the Scheme or to any condition that the Court may approve or impose. Yourgene has been advised that the Court would be unlikely to approve any modification of, or addition to, or impose a condition to the Scheme which might be material to the interests of Yourgene Shareholders unless Yourgene Shareholders were informed of such modification, addition or condition. It would be a matter for the Court to decide, in its discretion, whether or not a further meeting of the Yourgene Shareholders should be held in these circumstances.

Full details of the Scheme to be set out in the Scheme Document

The Scheme Document will include full details of the Scheme, together with notices of the Court Meeting and the General Meeting, the expected timetable and will specify the action to be taken by Yourgene Shareholders. The Scheme will be governed by English law. The Scheme will be subject to the applicable requirements of the Code, the Takeover Panel, the AIM Rules, the London Stock Exchange and the FCA.

The Scheme Document, along with the Forms of Proxy, will be despatched to Yourgene Shareholders and, for information only, to participants in the Yourgene Share Plans and (to the extent that they have not been exercised when the Scheme Document is posted to Yourgene Shareholders) the CGI Optionholders and the Warrant Holder, as soon as practicable and, in any event, within 28 days of the date of this Announcement, unless Novacyt UK and Yourgene otherwise agree, and the Takeover Panel consents, to a later date. Subject to certain restrictions relating to persons resident in Restricted Jurisdictions, the Scheme Document will also be made available on Yourgene's website at <https://yourgenehealth.com/our-investors/offer-for-yourgene-health-plc/> and Novacyt's website at <https://novacyt.com/investors/>.

At this stage, subject to the satisfaction or waiver of the Conditions and certain further terms set out in Appendix 1 to this Announcement, Novacyt UK and Yourgene expect the Acquisition to become Effective in Q3 2023.

If the Scheme does not become Effective on or before the Long Stop Date (or such later date as Novacyt UK and Yourgene may, with the consent of the Takeover Panel and, if required, the Court, agree) it will lapse and the Acquisition will not proceed (unless the Takeover Panel otherwise consents).

Right to switch to a Takeover Offer

Novacyt UK reserves the right to elect, with the consent of the Takeover Panel, to implement the Acquisition by way of a Takeover Offer for the entire issued and to be issued share capital of Yourgene as an alternative to the Scheme. In such an event, the Takeover Offer will be implemented on the same terms or, if Novacyt UK so decides, on such other terms being no less favourable (subject to appropriate amendments), so far as applicable, as those which would apply to the Scheme and subject to the amendments referred to in Part B of Appendix 1 to this Announcement.

16. Yourgene Share Plans, CGI Options, Warrants and Pre-emption Rights

Yourgene Share Plans

Participants in the Yourgene Share Plans will be contacted regarding the effect of the Acquisition on their rights under the Yourgene Share Plans. Since all outstanding options that have been granted under the Yourgene Share Plans have an exercise price which is greater than the cash value per Scheme Share, no proposals will be made to such participants in respect of their options under Rule 15 of the Code.

Further details of the impact of the Acquisition on the Yourgene Share Plans will be set out in the Scheme Document (or, as the case may be, the Offer Document) and in separate letters to be sent to the participants in the Yourgene Share Plans in due course.

CGI Options

Pursuant to the terms of the CGI Acquisition, 178,753 Yourgene Shares and 10,249,624 ExchangeCo Shares were issued and allotted to certain former shareholders of CGI as partial consideration on completion of the CGI Acquisition, followed by a further 4,696,065 ExchangeCo Shares in April 2021 and a further 4,880,971 ExchangeCo Shares in August 2021 pursuant to the terms of the earn-out provisions in the CGI Acquisition Agreement.

Pursuant to the terms of the CGI Option Agreement, the ExchangeCo Shares are capable of being exchanged through an exchange mechanism for Yourgene Shares at any time following completion of the CGI Acquisition. Callco is entitled, following the recent capital raise approved by Yourgene Shareholders at the general meeting held on 9 January 2023, to force the exercise of the CGI Options on written notice to the CGI Optionholders.

It is intended that such notice will be served on the CGI Optionholders following the date of this Announcement, such that Yourgene Shares are issued and allotted in exchange for the ExchangeCo Shares before the Scheme Record Time. No proposals will be made to such participants in respect of their options under Rule 15 of the Code.

As at 30 June 2023 (being the last Business Day prior to the date of this Announcement), 16,506,723 ExchangeCo Shares are available for exchange into Yourgene Shares which, when exchanged for Yourgene Shares represents approximately 0.5 per cent. of the Yourgene Shares in issue on 30 June 2023 (being the last Business Day prior to the date of this Announcement).

The Scheme will extend to any Yourgene Shares which are unconditionally allotted or issued before the Scheme Record Time, including those allotted or issued as a result of the exercise of the CGI Options.

Any Yourgene Shares to which CGI Optionholders become entitled following an exercise of the CGI Options after the Scheme Record Time will be automatically acquired by Novacyt UK for the same Acquisition Price as payable under the Scheme under the proposed amendment to the Yourgene Articles to be proposed at the General Meeting (as described in paragraph 15 (Structure of the Acquisition and the Scheme Document) above).

Warrants and Pre-emption Rights

The Warrant Holder will be contacted regarding the effect of the Acquisition on its Warrants and its Pre-emption Rights and an appropriate proposal will be made to the Warrant Holder in due course in respect of any outstanding Warrants and pursuant to the Pre-emption Rights which will arise in connection with the issue of Yourgene Shares resulting from the exercise of the CGI Options.

Since all outstanding Warrants have an exercise price which is greater than the cash value per Scheme Share, no formal proposals will be made to the Warrant Holder in respect of its Warrants under Rule 15 of the Code.

Pursuant to the terms of the Warrant Instruments, the Warrant Holder has rights of pre-emption in respect of any issue of Yourgene securities (excluding an Adjustment Event (as defined in the Warrant Instrument)), such that it is entitled to participate on the same terms and for the same price as any other participant. If the relevant issue is to be made on:

- (i) a pre-emptive basis, the Warrant Holder is entitled to participate as if it had exercised its subscription rights in relation to the Warrants in full before the date of the relevant issue; or
- (ii) a non-pre-emptive basis, the Warrant Holder is entitled to participate for such number of securities as would

mean that, if fully taken up, the Warrant Holder would maintain the same proportion of the fully diluted share capital of Yourgene as it had immediately prior to such allotment.

Pursuant to the terms of the Lock-in Deed, for so long as the Warrant Holder (or any of its Permitted Transferees (as defined in the Lock-in Deed)) is the registered holder of Yourgene Shares, if any securities are proposed to be allotted by Yourgene (save in certain specified circumstances), the Warrant Holder has pre-emption rights proportionate to its shareholding in Yourgene at the same price and on the same terms of such proposed allotment.

The Warrant Holder must be notified and be given at least 10 Business Days within which to accept the offer of such Yourgene securities. If not accepted within that period, such offer would be deemed declined by the Warrant Holder. Any securities not taken up by the Warrant Holder (whether deemed declined or the rights in relation to them formally waived by the Warrant Holder) by that date may be offered, allotted, and issued to any third party/parties at no lesser price and on terms no more favourable within the following three calendar month period.

It is intended that notice of the exercise of the CGI Options (being the trigger for the exercise of the Pre-emption Rights) will be served on the Warrant Holder on the date of this Announcement. In the event that the Warrant Holder elects in writing to waive its Pre-emption Rights, no further Yourgene Shares will be issued to the Warrant Holder. In the event that the Warrant Holder confirms that they want to exercise the Pre-emption Rights, it is intended that Yourgene will send the Warrant Holder a notice explaining how the Pre-emption Rights operate and making a suitable recommendation to the Warrant Holder.

Details of the proposal to the Warrant Holder, both in respect of its Pre-emption Rights in connection with the exercise of the CGI Options and the Warrants, will be set out in the Scheme Document (or, as the case may be, the Offer Document) and in a separate letter to be sent to the Warrant Holder.

In the case of Yourgene Shares issued to satisfy the exercise of the Pre-emption Rights and/or the Warrants prior to the Scheme Record Time, such shares will be Scheme Shares and will be acquired by Novacyt UK under the Scheme. Following the Scheme Record Time, any Yourgene Shares to which the Warrant Holder becomes entitled on any exercise of the Pre-emption Rights and/or the Warrants will be automatically acquired by Novacyt UK for the same Acquisition Price as payable under the Scheme under the proposed amendment to the Yourgene Articles to be proposed at the General Meeting (as described in paragraph 15 (Structure of the Acquisition and the Scheme Document) above).

17. Cancellation of admission to trading on AIM and re-registration

Prior to the Effective Date, Yourgene will make an application to the London Stock Exchange to cancel the admission to trading on AIM of the Yourgene Shares to take effect on and from or shortly after the Effective Date. It is expected that the last day of dealings in Yourgene Shares on AIM will be the Business Day immediately prior to the Effective Date and that no transfers will be registered after 6.00 p.m. on that date. Upon the Scheme becoming Effective, share certificates in respect of the Yourgene Shares will cease to be valid and should be destroyed. In addition, entitlements to Yourgene Shares held within the CREST system will be cancelled on the Effective Date.

As soon as practicable after the Effective Date and the cancellation of the admission to trading on AIM of the Yourgene Shares, conditional on the passing of the Special Resolution to be proposed at the General Meeting, it is proposed that Yourgene will be re-registered as a private limited company under the relevant provisions of the Companies Act.

18. Disclosure of interests in Yourgene

As at the close of business on 30 June 2023, being the last Business Day prior to the date of this Announcement, save for the irrevocable undertakings referred to in Appendix 3 to this Announcement, neither Novacyt UK nor, so far as Novacyt UK is aware, any person acting, or deemed to be acting, in concert with Novacyt UK:

- (a) had an interest in, or right to subscribe for, relevant securities of Yourgene;**
- (b) had any short position in (whether conditional or absolute and whether in the money or otherwise), including any short position under a derivative, any agreement to sell or any delivery obligation or right to require another person to purchase or take delivery of, relevant securities of Yourgene;**
- (c) had procured an irrevocable commitment or letter of intent to accept the terms of the Acquisition in respect of relevant securities of Yourgene; or**
- (d) had borrowed or lent any Yourgene Shares.**

Furthermore, save for the irrevocable undertakings described in paragraph 7 (Irrevocable undertakings) above, no arrangement exists between Novacyt UK or Yourgene or a person acting in concert with Novacyt UK or Yourgene in relation to Yourgene Shares. For these purposes, an "arrangement" includes any indemnity or option arrangement, any agreement or any understanding, formal or informal, of whatever nature, relating to Yourgene Shares which may be an inducement to deal or refrain from dealing in such securities.

19. Documents available on website

In accordance with Rule 26.2, copies of the following documents will, by no later than 12.00 noon (London time) on the Business Day following the date of this Announcement, be made available on Yourgene's website at <https://yourgenehealth.com/our-investors/offer-for-yourgene-health-plc/> and on Novacyt's website <https://novacyt.com/investors/> until the end of the Offer Period:

- the irrevocable undertakings referred to in paragraph 7;

Overseas shareholders

The release, publication or distribution of this Announcement in or into certain jurisdictions other than the United

Kingdom may be restricted by law and the ability of Yourgene Shareholders who are not resident in the United Kingdom to participate in the Acquisition may be restricted by the laws and/or regulations of those jurisdictions. In particular, the ability of persons who are not resident in the United Kingdom to vote their Yourgene Shares with respect to the Scheme at the Court Meeting or with respect to the Special Resolution at the General Meeting, or to execute and deliver Forms of Proxy appointing another to vote at the Court Meeting and/or General Meeting on their behalf, may be affected by the laws of the relevant jurisdictions in which they are located. Therefore, any persons who are subject to the laws and regulations of any jurisdiction other than the United Kingdom, or Yourgene Shareholders who are not resident in the United Kingdom, should inform themselves of, and observe, any applicable requirements in their jurisdiction. Any failure to comply with the applicable requirements may constitute a violation of the laws and/or regulations of any such jurisdiction. To the fullest extent permitted by applicable law, the companies and persons involved in the Acquisition disclaim any responsibility or liability for the violation of such restrictions by any person. This Announcement has been prepared for the purpose of complying with English law, the AIM Rules and the Code and the information disclosed may not be the same as that which would have been disclosed if this Announcement had been prepared in accordance with the laws of jurisdictions outside the United Kingdom.

Unless otherwise determined by Yourgene and Novacyt UK, or required by the Code, and permitted by applicable law and regulation, the Acquisition will not be made available, directly or indirectly, in, into or from a Restricted Jurisdiction where to do so would violate the laws in that jurisdiction and no person may vote in favour of the Acquisition by any such use, means, instrumentality or from within a Restricted Jurisdiction or any other jurisdiction if to do so would constitute a violation of the laws of that jurisdiction. Accordingly, copies of this Announcement and all documents relating to the Acquisition are not being, and must not be, directly or indirectly, mailed or otherwise forwarded, distributed or sent in, into or from a Restricted Jurisdiction where to do so would violate the laws in that jurisdiction, and persons receiving this Announcement and all documents relating to the Acquisition (including custodians, nominees and trustees) must observe these restrictions and must not mail or otherwise distribute or send them in, into or from such jurisdictions where to do so would violate the laws in that jurisdiction.

Further details in relation to Yourgene Shareholders in overseas jurisdictions will be contained in the Scheme Document.

U.S. Shareholders

Yourgene Shareholders in the United States should note that the Acquisition relates to the securities of a company organised under the laws of England and Wales and is proposed to be effected by means of a scheme of arrangement under the Companies Act. This Announcement, the Scheme Document and certain other documents relating to the Acquisition have been or will be prepared in accordance with English law, the AIM Rules, the Code and UK disclosure requirements, format and style applicable to a scheme of arrangement, all of which differ from those in the United States. A transaction effected by means of a scheme of arrangement is not subject to the tender offer rules or the proxy solicitation rules under the U.S. Exchange Act. Accordingly, the Scheme is subject to the disclosure requirements of, and practices applicable in, the United Kingdom to schemes of arrangement, which differ from the disclosure requirements and practices of U.S. tender offer and proxy solicitation rules.

None of the securities referred to in this Announcement, nor the information contained in this Announcement, has been approved or disapproved by the U.S. Securities and Exchange Commission, any state securities commission in the United States or any other U.S. regulatory authority, nor have such authorities passed upon the fairness or merits of the proposal contained in this Announcement or determined the adequacy or accuracy of the information contained herein. Any representation to the contrary is a criminal offence in the United States.

Yourgene's financial statements, and all financial information that is included in this Announcement or that may be included in the Scheme Document, or any other documents relating to the Acquisition, have been prepared in accordance with International Financial Reporting Standards and may not be comparable to financial statements of companies in the United States or other companies whose financial statements are prepared in accordance with U.S. generally accepted accounting principles. U.S. generally accepted principles differ in certain respects from International Financial Reporting Standards. None of the financial information in this Announcement has been

audited in accordance with the auditing standards generally accepted in the U.S. or the auditing standards of the Public Company Accounting Oversight Board of the U.S.

It may be difficult for U.S. holders of Yourgene Shares to enforce their rights and any claims they may have arising under U.S. federal securities laws or the laws of any state or other jurisdiction in the U.S. in connection with the Acquisition, because Yourgene is organised under the laws of a non-U.S. country, and some or all of its officers and directors may be residents of a non-U.S. country. U.S. holders of Yourgene Shares may not be able to sue a non-U.S. company or its officers or directors in a non-U.S. court for violations of U.S. federal securities laws or the laws of any state or other jurisdictions in the U.S. Further, it may be difficult to compel a non-U.S. company and its affiliates to subject themselves to a U.S. court's jurisdiction or judgment.

If Novacyt UK were to elect to implement the Acquisition by means of a Takeover Offer and determines to extend the Takeover Offer into the United States, the Acquisition would be made in compliance with applicable U.S. laws and regulations, including to the extent applicable, Section 14(d) and 14(e) of the U.S. Exchange Act and Regulations 14D and 14E thereunder, as well as in accordance with the Code. Such a Takeover Offer would be made in the United States by Novacyt UK (and/or a nominee of Novacyt UK) and no one else.

The receipt of cash pursuant to the Acquisition by a Yourgene Shareholder in the United States as consideration for the transfer of its Yourgene Shares pursuant to the Scheme will likely be a taxable transaction for U.S. federal income tax purposes and under any applicable U.S. state and local income tax laws. Each Yourgene Shareholder in the United States is urged to consult its independent professional tax or legal adviser immediately in connection with making a decision regarding the Acquisition and regarding the U.S. federal, state and local income and non-income tax consequences of the Acquisition applicable to it, as well as any consequences arising under the laws of any other taxing jurisdiction.

In accordance with normal UK practice, Novacyt UK, certain affiliated companies and their respective nominees or brokers (acting as agents) may from time to time make certain purchases of, or arrangements to purchase, Yourgene Shares outside of the U.S. other than pursuant to the Acquisition until the date on which the Scheme (or Takeover Offer, if applicable) becomes effective, lapses or is otherwise withdrawn. These purchases may occur either in the open market at prevailing prices or in private transactions at negotiated prices. Any information about such purchases will be disclosed as required in the UK and the United States and will be reported to a Regulatory Information Service and shall be available on the London Stock Exchange website at <https://www.londonstockexchange.com>.

Novacyt, Novacyt UK and Yourgene assume no obligation to update publicly or revise forward-looking or other statements contained in this Announcement, whether as a result of new information, future events or otherwise, except to the extent legally required.

Novacyt UK reserves the right to elect, with the consent of the Takeover Panel, to implement the Acquisition by way of a Takeover Offer as an alternative to the Scheme. In such an event, the Takeover Offer will be implemented on the same terms or, if Novacyt UK so decides, on such other terms being no less favourable (subject to appropriate amendments), so far as applicable, as those which would apply to the Scheme and subject to the amendments referred to in Part B of Appendix 1 to this Announcement.

Disclosure requirements of the Code

Under Rule 8.3(a) of the Code, any person who is interested in 1 per cent. or more of any class of relevant securities of an offeree company or of any securities exchange offeror (being any offeror other than an offeror in respect of which it has been announced that its offer is, or is likely to be, solely in cash) must make an Opening Position Disclosure following the commencement of the Offer Period and, if later, following the announcement in which any securities exchange offeror is first identified. An Opening Position Disclosure must contain details of the person's interests and short positions in, and rights to subscribe for, any relevant securities of each of: (i) the offeree company and (ii) any securities exchange offeror(s). An Opening Position Disclosure by a person to whom Rule 8.3(a) applies must be made by no later than 3.30 p.m. (London time) on the 10th Business Day (as defined in the Code) following the commencement of the Offer Period and, if appropriate, by no later than 3.30 p.m. (London time) on the 10th Business Day (as defined in the Code) following the announcement in which any securities exchange offeror is first identified. Relevant persons who deal in the relevant securities of the offeree company or of a securities exchange offeror prior to the deadline for making an Opening Position Disclosure must instead make a Dealing Disclosure.

Under Rule 8.3(b) of the Code, any person who is, or becomes, interested in 1 per cent. or more of any class of relevant securities of the offeree company or of any securities exchange offeror must make a Dealing Disclosure if the person deals in any relevant securities of the offeree company or of any securities exchange offeror. A Dealing Disclosure must contain details of the dealing concerned and of the person's interests and short positions in, and rights to subscribe for, any relevant securities of each of: (i) the offeree company and (ii) any securities exchange offeror, save to the extent that these details have previously been disclosed under Rule 8. A Dealing Disclosure by a person to whom Rule 8.3(b) applies must be made by no later than 3.30 p.m. (London time) on the Business Day (as defined in the Code) following the date of the relevant dealing.

If two or more persons act together pursuant to an agreement or understanding, whether formal or informal, to acquire or control an interest in relevant securities of an offeree company or a securities exchange offeror, they will be deemed to be a single person for the purpose of Rule 8.3 of the Code.

Opening Position Disclosures must also be made by the offeree company and by any offeror and Dealing Disclosures must also be made by the offeree company, by any offeror and by any persons acting in concert with any of them (see Rules 8.1, 8.2 and 8.4 of the Code).

Details of the offeree and offeror companies in respect of whose relevant securities Opening Position Disclosures and Dealing Disclosures must be made can be found in the Disclosure Table on the Takeover Panel's website at <https://www.thetakeoverpanel.org.uk>, including details of the number of relevant securities in issue, when the Offer Period commenced and when any offeror was first identified. You should contact the Takeover Panel's Market Surveillance Unit on +44 (0) 20 7638 0129 if you are in any doubt as to whether you are required to make an Opening Position Disclosure or a Dealing Disclosure.

Part B: Certain further terms of the Acquisition

1 Subject to the requirements of the Takeover Panel and the Code, Novacyt UK reserves the right in its sole discretion to waive (if capable of waiver):

(i) the deadline set out in the Condition in paragraph 1 of Part A of this Appendix 1 and any of the deadlines set out in the Conditions in paragraph 2 of Part A of this Appendix 1 for the timing of the Court Meeting, General Meeting and the Sanction Hearing; and

(ii) in whole or in part, all or any of the above Conditions set out in paragraphs 3(A) to (G) of Part A (inclusive).

2 Except as set out in paragraph 1 above, the Conditions in paragraphs 1 and 2 of Part A of this Appendix 1 may not be waived.

3 Novacyt UK shall be under no obligation to waive (if capable of waiver), to determine to be or remain satisfied or to treat as fulfilled any of the Conditions set out in paragraphs 3(A) to (G) of Part A of this Appendix 1 (inclusive) by a date earlier than the latest date for the fulfilment or waiver of that Condition specified above, notwithstanding that the other Conditions may at such earlier date have been waived or fulfilled and that there are at such earlier date no circumstances indicating that any such Conditions may not be capable of fulfilment.

4 Under Rule 13.5(a) of the Code, Novacyt UK may only invoke a Condition to the Acquisition so as to cause the Acquisition not to proceed, to lapse, or to be withdrawn with the consent of the Takeover Panel. The Takeover Panel will normally only give its consent if the circumstances which give rise to the right to invoke the Condition are of material significance to Novacyt UK in the context of the Acquisition. Novacyt UK may only invoke a Condition that is subject to Rule 13.5(a) of the Code with the consent of the Takeover Panel and any condition that is subject to Rule 13.5(a) may be waived by Novacyt UK. The Conditions contained in paragraphs 1 and 2 of Part A of this Appendix 1 and, if applicable, the acceptance condition for a Takeover Offer referred to in paragraph 7 of this Part B of Appendix 1, are not subject to this provision of the Code.

5 Under Rule 13.6 of the Code, Yourgene may not invoke, or cause or permit Novacyt UK to invoke, any condition to the Acquisition, unless the circumstances which give rise to the right to invoke the condition are of material significance to Yourgene Shareholders in the context of the Acquisition.

6 If Novacyt UK is required by the Takeover Panel to make an offer for Yourgene Shares under the provisions of Rule 9 of the Code, Novacyt UK may make such alterations to any of the Conditions and certain further terms of the Acquisition as are necessary to comply with the provisions of that Rule.

7 Novacyt UK reserves the right to elect (with the consent of the Takeover Panel) to implement the Acquisition by way of a Takeover Offer as an alternative to the Scheme. In such event, the Acquisition will be implemented on the same terms and conditions, so far as applicable, as those which would apply to the Scheme, subject to appropriate amendments, including (without limitation) an acceptance condition set at 90 per cent. of the shares to which such offer relates (or such smaller percentage, being more than 50 per cent. of Yourgene Shares carrying voting rights, as Novacyt UK may decide). In the event that the Acquisition is implemented by way of a Takeover Offer, the acceptance condition shall not be capable of being satisfied until all of the other conditions to the Takeover Offer have either been satisfied or (if capable of waiver) waived. Further, if sufficient acceptances of the Takeover Offer are received and/or sufficient Yourgene Shares are otherwise acquired, it is the intention of Novacyt UK to apply the provisions of the Companies Act to compulsorily acquire any of the outstanding Yourgene Shares to which such Takeover Offer relates.

8 Novacyt reserves the right, with the prior consent of the Takeover Panel, for any other entity owned by it from time to time to implement the Acquisition.

9 The Yourgene Shares to be acquired pursuant to the Acquisition shall be acquired by Novacyt UK fully paid and free from all liens, equitable interests, charges, encumbrances, rights of pre-emption and any other third party rights and interests whatsoever and together with all rights existing at the date of this Announcement or thereafter attaching thereto, including (without limitation) voting rights and the right to receive and retain, in full, all dividends

and other distributions (if any) declared, made or paid or any other return of capital (whether by way of reduction of share capital or share premium account or otherwise) made on or after the Effective Date in respect of the Yourgene Shares.

10 Novacyt UK reserves the right to reduce the value of the consideration payable for each Yourgene Share by up to the amount per Yourgene Share of any dividend, distribution or return of value paid or made on or after the date of this Announcement and on or prior to the Effective Date. If any such dividend, distribution or return of value is paid or made after the date of this Announcement and Novacyt UK exercises its rights described above, any reference in this Announcement to the consideration payable under the Acquisition shall be deemed to be a reference to the consideration as so reduced. Any exercise by Novacyt UK of its rights referred to in this paragraph shall be subject to the Code and the Takeover Panel and the subject of an announcement and, for the avoidance of doubt, shall not be regarded as constituting any revision or variation of the terms of the Acquisition. If Novacyt UK exercises its right to reduce the offer consideration by all or part of the amount of a dividend (or other distribution) that has not been paid, Yourgene Shareholders will be entitled to receive and retain that dividend (or other distribution).

11 The availability of the Acquisition to persons not resident in the United Kingdom may be affected by the laws of relevant jurisdictions.
